

PRIVACY POLICY WEB PAGE

FERRUM ENERGY

FERRUM ENERGY is committed to protecting and respecting your privacy. This Privacy Policy (together with our Terms of Use and any other documents referred to in it) sets out the basis on which any personal data which FERRUM ENERGY collects from you, or that you provide to FERRUM ENERGY, will be processed by our company. Please read the following carefully to understand our general views and practices regarding your personal data and how we will treat it.

At FERRUM ENERGY we are committed to maintaining the privacy of all the visitors to this website. We use the information we collect about you to service your website requests and to provide a more personalized website experience. FERRUM ENERGY does not purchase any individual information. We passively collect information that is automatically sent to us by your web browser. This information may include your domain name and user name. A cookie is a small amount of data that is sent to your browser from a web server and stored on your computer's hard drive. This website is cookie-enabled in order to give you a more personalized user experience. Please refer to your browser if you want to learn more about your cookie settings.

FERRUM ENERGY uses cookies to provide personal service, for those who register, and to estimate our audience size. Each browser accessing FERRUM ENERGY is given a unique cookie which is then used to determine the extent of repeat usage, usage by a registered user versus by an unregistered user, and to help develop content based on user interests and behavior. We also measure certain traffic patterns, which areas of FERRUM ENERGY ' network of websites you have visited, and your visiting patterns in the aggregate.

We use this research to understand how our users' habits are similar or different from one another so that we can make each new experience on our websites a better one. We may use this information to better personalize the content, banners, and promotions that you and other users will see on our sites. FERRUM ENERGY will not use or share with a third party, any information collected at this page for direct marketing purposes. Because of the nature of the Internet, we may transmit the information to another country, but within FERRUM ENERGY, for purposes other than direct marketing, such as for storage, or because of where our servers are located. We may also use it to investigate security breaches or cooperate with authorities pursuant to a legal matter. We may also remove all the personally identifiable information and use the rest for historical, statistical or scientific purposes.

If you e-mail us, you are voluntarily releasing information to us. Your e-mail address will be used by FERRUM ENERGY to respond to you. Any communication generated by you to another party via tools on this website (i.e., "Contact US") will be visible to FERRUM ENERGY employees and should not contain confidential information.

For your convenience, this site may contain certain hyperlinks to other FERRUM ENERGY Supplier's pages as well as to websites outside FERRUM ENERGY we make no promises or guarantees regarding data collection on the hyperlinked pages and sites that are not owned by FERRUM ENERGY We therefore recommend that you read the privacy policy/statement for each site you visit.

By entering this website, you are consenting to the terms of our Privacy Statement and to our continued use of previously collected information.
